

A real inspiration for Whitecross High School and Specialist Sports College pupils Tom Davies, Ross Dimmock and Edward Taylor as they meet their mentor Colin Javens. The terrific trio decided to raise money for charity after listening to a motivating assembly by Colin on how he lives with his spinal injury. Tom spent a week in a wheelchair aided by Ross and Edward to raise more than £200 for Spinal Research. Colin thanks Tom for his efforts as Edward records the moment and Ross has the collection tin at the ready.
